

## Tuning into Teens Term 3: Early Intervention and Difficult Behaviours

headspace Melton will once again be running a Tuning into Teens Program in Term 3.

Term 3 TINT will have a focus on early intervention to managing difficult behaviour in teenage children. This group would be useful for parents that have noticed behaviours that are difficult to manage and want help to stop them from getting worse. Or for parents that are not sure why their child just isn't the same anymore!

You can register your interest by getting in contact with headspace Melton's reception staff.

### When

Wednesdays 6-8.30PM, 24 July -11 September  
TINT will run for 7 consecutive weeks

### Where

headspace Melton, 16 Brooklyn Road, Melton South
